Policy:

As part of risk management, the SAPC Board will annually review the need for insurance and decide the appropriate level of coverage as related to board governance and other affairs of the SAPC.

Purpose:

To mitigate to acceptable levels the risks inherent to the governance and day-to-day operation of the SAPC and its events.

Clarification:

It is the responsibility of the Board of Directors to determine the type and level of insurance coverage for Directors Liability, Errors and Omissions, as well as other liability insurance and indemnification instruments.

1. The Treasurer shall secure and maintain appropriate insurance and indemnification for the Board of Directors, business and assets of the SAPC, SAPC contractors, volunteers, and any person acting on behalf of the SAPC.
2. All Insurance requirements for venues will be satisfied.
