Fee for service

Policy:

The SAPC will charge a fee per use for services and amenities provided by the club, to pass on the cost of venues and equipment incurred by the club.

Purpose:

For members and visitors to fairly bear the cost of using services and amenities provided by the SAPC

Clarification:

1. The annual membership fee does not pay for the individual venues where club play takes place.
2. This policy applies to all members and visitors, using the principle of “if you play you pay”.
3. There is no user fee for the Larose and Alpine courts because these are public use facilities. There is limited opportunity to reserve these venues for club events, with no cost to the club.
